 Strath Taieri School

Principal/Tumuraki comment

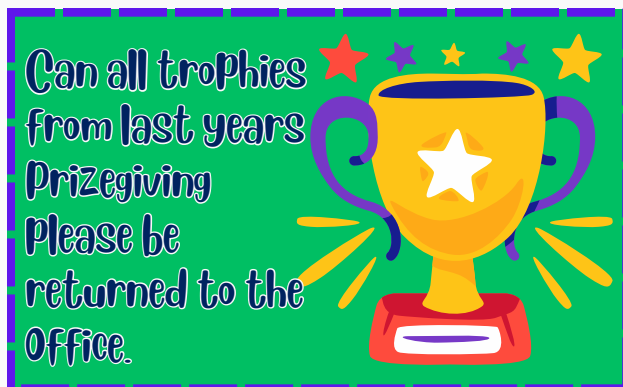

Kia ora parents and whānau,
This week has been very busy and we're back into full school mode with lots of exciting things happening!

We had a visit a fabulous morning on Thursday with Fern Energy NZ and their generous donation of \$1000 of sports gear and some delicious cake. Then it was off to Elmgrove School in Mosgiel for Room 3 and 5 to attend the Science Roadshow. This was a great afternoon and definitely inspired some of the children.

We welcomed Indika into Room 3 Team Piwakawaka and it has been great to see her settling into the country-school life well.

Don't forget it is the last day of school tailing this weekend at John and Alice Scotts. Please let Bevan know if you can make it as this is our last major fundraiser for the year.

Enjoy the long weekend coming up and our fabulous pool being open!
Ngā mihi nui,
Lisa Bankshaw 

STRATH STARS!

Each Friday in Term Four, two of our Year 4-6 students (whilst the Year 7/8s are away at Tech at Taieri College) are going to join our wonderful wee Play Group. Today was the first session and Auburn and Milly read stories and then had some fun with the kids. Thanks so much for having us Play Group - the girls had a ball and we can't wait for next week!

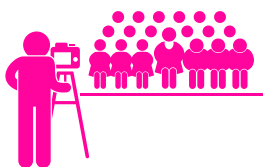

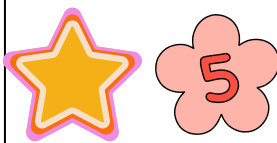

Team Karearea News

Welcome back! We have begun the term with a hiss and a roar, straight into the swing of things. We have been learning a few new games to play in maths and literacy, doing some spelling/vocabulary work and lots of athletics training. Thursday was pretty exciting with Fern Fuels bringing us a surprise and the Science Roadshow was a hit – inspiring some budding scientists. !
