Principal/Tumuaki comment

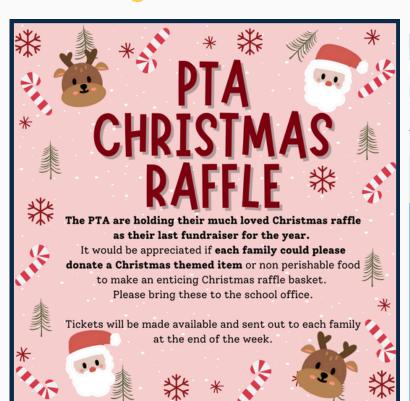

Kia ora parents and whānau,

For those that haven't seen the post on Hero, this week we announced that Mrs Lauren Becker has been appointed to our 3 day a week position in Room 3 Team Ruru for 2025. We know that it will be an easy transition for her and the children as she already knows all the kids through relieving here this year.

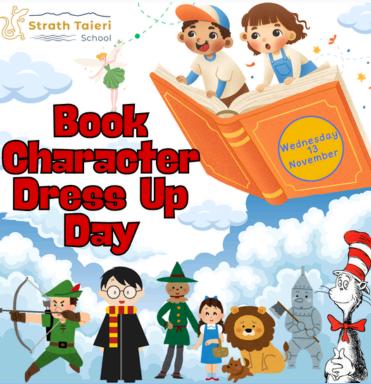

It's Book Week this week and the library is all set up with fabulous books and stationary items. There's some absolutely lovely books so please pop on in during school hours = or after school if you'd like to have a browse. We look forward to seeing everyone's great costumes on Wednesday!

The Tennis Cup is all go and there have been some fabulous matches and contests being played. It's been great seeing all the kids eating their lunch at the tennis court and cheering the players on.

Ngā mihi nui, Lisa Bankshaw 😊

This Wednesday 13 Nov is Book Character Dress Up Day and it's going to be better than ever! Playgroup, Lee Stream and Macraes Moonlight Schools are joining us which will be lots of fun! We are going to have a fashion parade, book/literacy games, as well as some sporting prowess on display, and then finish with a yummy Sausage Sizzle kindly put on by our fabulous PTA. It's going to be an awesome day so get those wonderful costumes sorted and ready for next Wednesday. You can also get your Christmas pressies sorted at the Book Fair which will be on all week in the Library so pop on in!

## TEAM KAREAREA

## NEWS

This week we have been super active! Miss Lindsay has taught the class a very fun game called Ki o Rahi. A game that involves tactics and team work. The kids could actually play for hours! We have also begun the tennis cup with some very close matches being played. The children have been displaying some amazing sportsmanship. Speeches are in full swing and there has been a lot of work put into these by the children so far. We are looking forward to presenting these in a couple of
