Excellence

Where are we going?

All Strath Taieri Students will be well equipped with the skills and knowledge to confidently navigate life's challenges.

1.1 Priority learners and learning identified along with a plan for accelerated progress.

1.2 Whole school assessment is developed with a focus on empowering learners, parents and teachers.

1.3 STS curriculum is developed to support student achievement.

Equity

How do we bring everyone along?

All Strath Taieri Students will learn in an inclusive, innovative and safe environment to be curious, creative risk takers.

2.1 Create new positive behaviour management policy and school practises.

2.2 Positive and engaging school culture is nurtured; everyone has a voice, and feels valued.

2.3 Align school values and practise with Ka Hikitia (the Maori education strategy) and the Action Plan for Pacific Education.

Community

Who travels with us?

All Strath Taieri students will be supported in their learning through connections to each other, whanau, the local community, environment and the world.

3.1 To develop our curriculum that reflects our place in Aotearoa New Zealand and our kura.

3.2 The children, staff and community will support each other to make our school and community more environmentally sustainable.

3.3 To create opportunities for whanau and the community to become more involved in the school.

Our values...

Developing resilience

Having respect

Taking responsibility

Nurturing empathy

Striving for excellence
